Class of 2016

Dear Student,

The members of Porterville Educator's Association are pleased you are considering a career in education. This scholarship is awarded in honor and memory of the many teachers that who have not only taught but, who have given so freely of themselves.

To be considered for this scholarship you must meet all of the following requirements.

1. **The applicant must intend to major in courses leading to a career in education.**
2. The applicant must have a GPA of at least 3.0.
3. The applicant must be considered needy as measured by the Cal Grant standards for the year of the individual's graduation.
4. Include a copy of letter of admission.

Please fill out the enclosed application. You will need the signature and comments from two of your teachers. Also, write a short paragraph about why you are interested in pursuing a career in education. You can state your goals, the grade levels or subject areas you wish to teach. Do not be afraid to use personal experiences in your comments.

\$300.00

The scholarship will be in the amount of ~~\$250.00~~ upon the admission to the school of your choice.

Sincerely,
Porterville Educator's Association
